

"Empowering Networks, Enriching Lives"

COMPENSATION PLAN

DISCLAIMER

The Aide coin program is designed to provide users with benefits through a multi-level marketing structure. By participating in this program, you acknowledge and agree to the following terms:

1. Value of Packages:** Users will receive vouchers equivalent to 100% of their purchased package value. These vouchers can be utilized with participating vendors. Certain conditions may apply for withdrawal options.
2. Referral Rewards:** Users who refer others to the program will receive rewards as referrers. The rewards structure is based on specific criteria, which may change at the company's discretion.
3. Team Aide Income:** Participants may earn income through team-building activities as outlined in the compensation plan. Income is not guaranteed and may vary based on individual effort and market conditions.
4. No Guarantees:** Participation in the Aide coin program does not guarantee any financial return or income. Earnings are based on personal performance and the performance of your team.
5. Changes to Program:** The company reserves the right to modify or terminate the program at any time without prior notice. Users will be notified of significant changes through official communication channels.

By participating in the Aide voucher program, you acknowledge that you have read, understood, and agreed to this disclaimer.

MISSION

“AideCoin aims to empower individuals by offering a platform designed to protect against inflation. Through innovative working model, including use case mechanism and community rewards, we foster a vibrant ecosystem where users can transact, subscription, and participate in governance, all while driving financial growth and stability.”

VISION

“Our vision is to create a financial ecosystem where AideCoin serves as a trusted medium of exchange that not only safeguards users from inflation but also promotes collaboration and community engagement. We strive to build a future where individuals can make empowered financial decisions, contribute to the vendor network, and benefit from a transparent and rewarding system.”
